Dear SW Families,

Thank you for your ongoing patience as we continue to monitor COVID-19's impact on our school community. We want to make sure that as your District of Choice, the Summer School and Fall Reopening Plan is in alignment with the guidance of local and state authorities. The decision-making around these plans is made with both the safety and education of your students in mind.

The Texas Education Agency will be releasing its guidance for the 2020-2021 School Year this week. We will plan according to that guidance to ensure our Fall Reopening Plan provides flexibility for all our families. Whether our families choose to come back for face to face instruction or decide to keep their student(s) in a remote learning environment, SWISD promises an accessible, comprehensive curriculum plan that will fit each student's needs.

With regards to Summer School, the District will kick off its Summer Instructional Continuity webpage today, Monday, June 22, 2020. This webpage will include important information regarding class options, meal distribution, and safety protocols for the Summer. Families are asked to check this webpage often as it will be the hub for updates and all content that surrounds our Summer program. Parents can review the site at [www.swisd.net/summer](http://www.swisd.net/summer).

Our communication efforts will continue through our social media sites, the Remind app, School Messenger, and website [www.swisd.net](http://www.swisd.net). Thank you for your trust, support, and patience as we continue to work towards making the best decisions for our students, parents, and staff.

Sincerely,

Lloyd Verstuyft  
Superintendent
